REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Prior art references are herein cited of interest. Prior art of record, taken alone or in combination, do not fairly disclose or suggest the presently claimed copolymer represented by formula (1), and the process of preparing the copolymer. Accordingly, the instant invention as defined by claims 1-35 is allowable over prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
